Licenses Eligible for Renewal

Renew	License	Status	Issue Date	Expire Date	Renew Date
Renew	PEL - Professional Educator License	Issued	07/01/2013	06/30/2018	07/01/2018

If the expiration date for your license on your "My Credentials" page is set to July 1st of this year or earlier, then you have licenses that can be renewed.

If you have already renewed online, then your "My Credentials" page will show either an issued credential with an expiration date past July 1st of this year or your old credential along with a new credential that is "pending review." If you have a license that is pending review (or a newly issued license with an expiration date past July 1st of this year), then you DO NOT have to do anything further to renew your credentials.

This page allows the educator to choose which license to renew. If they hold multiple licenses (PEL, SUB, PARA, etc.), they will be able to decide which one to renew.

Renew and Register an Educator License

Before your license reaches its expiration date, you must renew your license by verifying professional development requirements have been met. Completing the following steps will renew and register your license for another cycle. Registration fees are \$10 per year and will be collected for the license's validity period at the end of the renewal and registration process.

Please answer the following required questions of the Criminal History Disclosure Statement.

Yes No Question

Have you ever been convicted of a felony in Illinois or any other state, or are you subject to pending criminal charges for a felony in Illinois or any other state? (If unsure, you may seek legal counsel or contact ISBE for further information. Failure to accurately disclose this information may result in application denial or licensure sanction.)

Have you ever been convicted of any sex, narcotic, or drug offense in Illinois or any other state or are you subject to pending criminal charges for any sex, narcotic, or drug offense (whether felony or misdemeanor) in Illinois or any other state? (If unsure, you may seek legal counsel or contact ISBE for further information. Failure to accurately disclose this information may result in application denial or licensure sanction.)

Have you failed to (a) file an Illinois tax return, (b) pay the interest, penalty, or tax shown on an Illinois filed return, or (c) pay any final assessment of interest, penalty, or tax as required by law and administered by the Illinois Department of Revenue which was not subsequently resolved to the Department's satisfaction?

Have you ever been indicated as a perpetrator of child abuse or neglect by a state agency responsible for child welfare? (Note: You must answer "Yes" to this question even if the report was removed from the State Central register due to expiration of the retention period, but you may answer "No" to this question if the finding was reversed on appeal.)

Are you in default on an Illinois student loan for which you have failed to establish a satisfactory repayment plan with the Illinois Student Assistance Commission?

Are you currently more than 30 days delinquent in complying with a child support order?

Things to remember:

- Retired educators will NOT have to pay a fee to renew. They only have to complete the wizard and answer the questions. Prior to renewing, retired educators must ensure the PD status in their yellow profile box is set to “retired.” Retired educators are still responsible for PD for the years they were actively teaching 50% or more FTE during their current cycle.
- Educators do NOT have to renew all licenses held. They may choose which licenses they would like to renew.
- If educators had a SUB or ELS-PARA issued but never registered the license, they will be responsible for paying back fees to bring the license’s registration up-to-date, then an additional \$50 to register the license through June 30,2023.
